

CMEV EasyHOME accessory

11090543

Flexible sleeve HELIONE Ø 400

Product description

The flexible sleeve is used to connect the HELIONE fan to a circular duct. Its flexibility attenuates fan vibrations and makes the connection to the smoke and heat exhaust duct easier.

Fields of application

Multi-occupancy residential housing, New, Refurbishment, Non-residential buildings

Installation

- flexible sleeve installed between the adapter and the circular duct.

Main characteristics

- non-flammable fabric sleeve, M0.
