GFE 007 grille Edged

The concealed frame of the GFE 007 grille - Edged offers elegant and discreet aesthetics while covering the opening.

Grille GFE 007 Liseré installé avec cadre arrasant

PRODUCT BENEFITS

- New: core removable using 007 clip for H < 1,300 mm,
- discreet aesthetic flush finish along wall,
- exists in large height (floor to ceiling).

Principles of operation

The decorative GFE 007 grille - Edged is flush-fitted in the wall to protect and decorate the smoke control damper.

Product description

Simply install the GFE 007 grille - Edged directly in the opening in front of the damper. Its concealed frame offers elegant and discreet aesthetics, as only a slim edge is visible on the front. The GFE 007 features a removable core, locked using the clever 007 clip, which can also be used to suspend the fin core to make it easier to reset the smoke control damper.
