**GFE 007 grille visible frame**

The frame of the GFE 007 grille - Visible frame offers a discreet aesthetic finish on a wall surface while concealing an opening.

GFE grille visible frame

**PRODUCT BENEFITS**

- new core removable using 007 clip for H ≤ 1 000 mm,
- discreet aesthetic flush finish along wall,
- RAL paint colours available (except 007 clip).

**Principles of operation**

The decorative GFE 007 grille - Visible frame is flush-fitted in the wall to protect and decorate the smoke control damper.

**Product description**

Simply install the GFE 007 grille - Visible frame directly in the opening in front of the damper. The visible frame offers a discreet aesthetic finish on a wall surface while concealing an opening. The GFE 007 features a removable core, locked using the clever 007 clip, which can also be used to suspend the fin core to make it easier to reset the smoke control damper.

**Fields of application**

New, Refurbishment, Non-residential buildings

**Installation**
