

Wall grille

11002025
SC 125 grille

The SC 125 slotted grille offers discreet aesthetics for air extraction in ventilation or air-conditioning systems.

Grille SC 125

PRODUCT BENEFITS

- aesthetic,
- easy to install / remove.

Principles of operation

The SC 125 wall grille is made of slotted metal sheet with 45% of free air passage, to enable air extraction. It uses F3 clips for easy installation/removal in ME/MT plenums and has an F4 mounting frame.

Product description

The SC 125 wall grille delivers air extraction in ventilation or air-conditioning systems. Its construction in slotted sheet metal with 45% of free air passage and its white epoxy coating enable discreet installation on walls. Furthermore, its F3 clips as standard make it easy to install and remove in plenums or mounting frames.

Fields of application

New, Refurbishment, Non-residential buildings

Installation

- for installation on wall,
- grille supplied with F3 clips for easy installation / removal in ME/MT plenums or in the F4 mounting frame.

Main characteristics
